Writing

*Write a composition of approximately 150 words on ONE of the following subjects. You will be given credit for the use of complex structures and vocabulary.* ***Circle the title you have chosen****.*

1. Forests are the lungs of the earth. Destruction of the world's forests amounts to death of the world we currently know. To what extent do you agree or disagree?

2. Many countries are currently witnessing an increase in criminal activity among young people.
   Discuss reasons for this phenomenon and suggest ways to deal with the problem.

3. The idea of going overseas for university study is an exciting prospect for many people. But while it may offer some advantages, it is probably better to stay home because of the difficulties a student inevitably encounters living and studying in a different culture.
   To what extent do you agree or disagree this statement?
