Overview

Welcome to the MedPlant (www.MedPlant.eu) Initial Training Network (ITN) 6th Supervisory Board meeting and project review days followed by the 3rd Summer school and workshop for fellows. The 6th Supervisory Board meeting is the sixth management and administrative business meeting for the PIs, associated partners, and the Coordinating Team of the University of Copenhagen. The project review days will include presentation and discussion of the Fellows projects and progress so far. The 3rd Summer school - a 3-days Plant-to-product course and a 3-days Career development workshop is obligatory for all MedPlant Fellows. The Plant-to-product course is open to participation of students and postdocs from the partner groups. Both events are co-organized by the Copenhagen Coordinating Team and University of Cagliari/Marco Leonti.
