

**GERMANO ORRÙ**  
**CURRICULUM VITAE**

**Personal details**

**Name and Surname** Germano Orrù

**Current Address.** (MBS) Molecular Biology Service, University of Cagliari "Ospedale S. Giovanni di Dio" Via Ospedale 54 --1st floor, 09124 Cagliari, Italy.

**Telephone** +39-070/537413; mobile : +39 070 609-2568, **Fax** +39 070 609-2399

**e-mail** [orru@unica.it](mailto:orru@unica.it),

**Nationality** Italian

**Date of birth** 26, February, 1962.

**Work experience**

➤ **Dates (from to) 30-09-2015-present**

University of Cagliari  
Faculty of Medicine –Department of Surgical Science.

**Title of qualification awarded**

Associate Professor

➤ **Dates (from to) 2006 – 30-09-2015**

University of Cagliari  
Faculty of Medicine –Department of Surgical Science.

**Title of qualification awarded**

Assistant Professor

- **Dates (from to) 2002 – present.**

Faculty of Medicine –Department of Surgical Science – University Polyclinic.  
Molecular Biology

**Principal subjects-occupational skills covered**

Responsible for DNA Sequencing Service.

**Title of qualification awarded**

Head of laboratory.

- **Dates (from to) 1997-2001**

University of Siena  
Department of Molecular Biology  
Clinical and Diagnostic Microbiology.

**Principal subjects-occupational skills covered**

Ph.D Student

- **Dates (from to) 1984-1998**

University of Cagliari  
Faculty of Medicine –Institute of Microbiology.

**Principal subjects-occupational skills covered**

Laboratory technician, Clinical and Diagnostic Microbiology.

..

**EDUCATION AND QUALIFICATIONS**

- **20/12/2013**

**Master in Human Nutrition (second level)**, Department of General Physiology  
,University of Pavia, Faculty of Sciences.

- **20/12/2001**

**Ph.D in Biotechnology ( 4 years)**

LAMMB: Laboratory of Molecular Microbiology and Biotechnology. University of Siena,  
Italy

➤ 10/07/1996

**Degree in Biological Science**, Università di Cagliari, Italy  
Title of thesis: Production of recombinant protein in *Streptococcus gordonii*. *Produzione di proteine ricombinanti in Streptococcus gordonii*.

**Type and field of activity**

Characterization and purification of *Streptococcus gordonii* recombinant protein by *High Performance Liquid Chromatography (HPLC)*.

➤ 15/12/1982

**Diploma in Pathological Anatomy** A. Businco Hospital, Cagliari .

**Type and field of activity**

Microscopy, Histology

➤ 25/07/1981

**High School of Industrial Chemistry** "I.T.I.S.: (Technical College) "Michele Giua" , Cagliari. ( 4 years).

**Type and field of activity**

Gas chromatography, spectrophotometer, column chromatography, atomic absorption spectrometer.

**Teaching Activities:**

**2006-present**

- Course of oral hygiene (University of Cagliari, University of Pavia)
- Course of Human Nutrition (University of Cagliari)
- Course of Oral Microbiology (University "La Sapienza" Rome)
- Course of Laboratory Techniques (University of Cagliari)

**Fellowships**

1. **Warnex Medical Laboratories, Montreal, Canada (2005).**
2. **University of Miyazaki, Japan, (2006).**

Prof. Toshiaki Hitami.

<http://www.miyagi.kopas.co.jp/JSFS/relate/r-f024.html>

3. *Wageningen University Netherlands, (2009). Host-Microbe Interactomics (HMI) Prof Jerry Wells.*

<http://www.wageningenur.nl/en/Expertise-Services/Chair-groups/Animal-Sciences/HostMicrobe-Interactomics.htm>

4. **University of the West of England, UWE, Bristol,UK** (2011). Prof. John Greenman.

<http://people.uwe.ac.uk/Pages/person.aspx?accountname=campus%5Cj-greenman>

## **GenBank Submissions**

**170 different nucleotide sequences deposited as author.**

<http://www.ncbi.nlm.nih.gov/Entrez/nucleotide.html>

## **Publications 229**

**100** Articles in scientific journals

**102** Abstracts

**20** Posters

**2** Chapter book

**6** Patents
