

## REFEREING

---

After completing the evaluation of a submitted manuscript, I sent my report to the following journals:

- *Applied Mathematics Letters*
- *Boundary Value Problems*
- *Communications on Pure and Applied Analysis*
- *Electronic Journal of Differential Equations*
- *Journal of Applied Analysis*
- *Journal of Differential Equations*
- *Mathematical Methods in the Applied Sciences*
- *Mathematical Problems in Engineering*
- *Mathematische Nachrichten*
- *Nonlinear Analysis: Theory, Methods and Applications*
- *Transactions of the American Mathematical Society*

I sometimes declined the invitation to act as a referee for some manuscripts (not considered above).
