

PROJECT “SAILING 4PDP”: INVITATION TO THE WEBINAR - JUNE 21st, 2021 – UNIVERSITY OF CAGLIARI & LIMOLO ASD

We are pleased to invite you to the second meeting for the International Small Collaborative Erasmus+ project “Sailing 4PDP” (Sailing for People with Physical Disabilities), organized by the University of Cagliari, Italy and the sport association “LIMOLO ASD”, Cabras (OR), Italy.

The project, coordinated by the Universidad Católica de Murcia – UCAM, Spain, involves several associations and Universities, and regards the benefits of the use of new technologies, particularly a 2D Virtual Simulator, in rehabilitative interventions focused on sailing for people with physical disabilities.

The main aim of the project is to promote the dissemination of good practices by sharing different experiences and expertise between the several partners involved in the project. Furthermore, the webinar is an opportunity to enhance the dialog between different technicians and experts, as well as participants, to improve rehabilitative programs for people with physical, neurologic and psychosocial disabilities.

The intent of the University of Cagliari is also to involve the students from those Degree Courses potentially interested in the fields of rehabilitation, health promotion, new technologies, e-health, adapted sport activities, to offer them an international learning opportunity.

The webinar will be held on June 21st, 2021 at 9.00 am - 18.00 pm by the web application ZOOM and it will include a translation service English/Italian/English.

As a “Partner” or a “Speaker”, **we recommend proceeding with the registration by the link below:**
