

# International Entrepreneurship Lab

**30–31 March 2022**

**Register until 4 March**

**Online via Zoom**

# Workshop details

Are you considering to continue your career outside academia but are not ready to kick-off your own project yet?

Are you thinking about entrepreneurship in the future?

Do you see entrepreneurship as an exciting life path, even if you don't have a specific idea?

Do you want to learn essential skills to make it easier to start your own business?

## Description

If you answered "YES" at least once, then you are cordially invited to the online workshop International Entrepreneurship Lab that we have prepared for you. You will work in an international team under the supervision of the experienced coaches on a business model and prepare the research-based business project based on Design Thinking principles.

## Workshop introduction

23 March (introduction, team building)

## Online workshop

30–31 March at 10 AM–5 PM

## Registration deadline
