The researcher's focus group R4 met on 30 January 2023 at 12.30 p.m. (online MS Teams platform). After a brief introduction to GA Analysis by Prof. A.M. Colavitti, the group paid attention to the significance of Ethical Principles for UNICA's researchers. The R4 agrees to approve the GA document as revised to date. The meeting session closed at 13.000 p.m.
