TWG Working conditions, social security online meeting started on *MSTeams* at h. 11.00.

The revised version of the gap analysis had been previously made available in the shared folder where all the TWG group members had access to the document under consideration.

Participants work together to review and accept the suggestions and observations provided by the steering committee. Participants define the final version of the Gap Analysis.

The meeting ended at 13.35 (attendees above. Prof. Alessandra Carucci attended the meeting).
