

LEVEL - A2

F: Hey Jesse! Long time no see! How are you?

A: I'm feeling alright, thanks for asking! How about you, Kelly? Everything alright?

F: Yes, yes, absolutely, I'm feeling great! I have some news for you! Are you ready to hear what happened yesterday at Clara's?

A: Yes please, spill the beans, I can't wait!

F: So basically, we were all at her house celebrating Julia's birthday party, right?

A: Yeah, I heard about it, I think John told me a few weeks ago.

F: Well, at some point during the evening... Guess who rang the bell!

A: Who?

F: Julia's ex-boyfriend Jimmy!

A: No way! So, what did everybody do? Did they open the door? Did they let him in?

F: Hahahah Clara went to open the door but gladly she had a video intercom, so she saw him on time and immediately told Julia, who was shocked. She definitely didn't expect him to be there, especially with a bouquet of daisies!

A: I can't believe my ears. Aren't daisies Julia's least favorite flower? I was pretty sure she loved dandelions, although I must admit they are pretty difficult to find at a florist.

F: Yeah, she does love those! But can you imagine having to deal with your ex-boyfriend on your birthday? At least Clara was smart enough to not open the door and let him in. But boy what an eventful evening!

A: Wow, I really wanted to go too but I had a sore throat and didn't want it to get worse. Everyone I know has the flu and I didn't want to risk you getting it!

F: We were all very sad that you weren't there! You are always the life of the party!

A: Thank you! I appreciate you saying that. Well, I think it's time for me to go home. I've just recovered so it's better to not stay out too late and catch a cold!

F: It was nice seeing you! I'll talk to you later! Drive safe!

Questions
