## PhD students' presentations will be scheduled shortly

**SOCIAL EVENT:** all-together dinner to be scheduled. Best candidate is Thursday night, the 10<sup>th</sup>

WORKING LANGUAGE English.

## HOW TO REACH CAGLIARI

Cagliari, the capital and main city of Sardinia, is well-connected and easily accessible by air, sea, and land (if you are already in Sardinia!!).

**By Air:** The Mamei Airport, also known as Elmas Airport (CAG), is located just few kilometers from the city center. It offers numerous domestic and international flights. From the airport, you can take a taxi, bus, van or even a train.

You can also rent a car to reach downtown Cagliari in about 15 minutes.

**By Ferry:** The Port of Cagliari is one of the busiest in Italy, with ferries arriving from mainland Italy, mainly from Civitavecchia, close to Rome, and other Mediterranean destinations. This is a scenic way to arrive in the city and perfect for those who prefer a slower pace of travel, usually at night.

## LOCATION

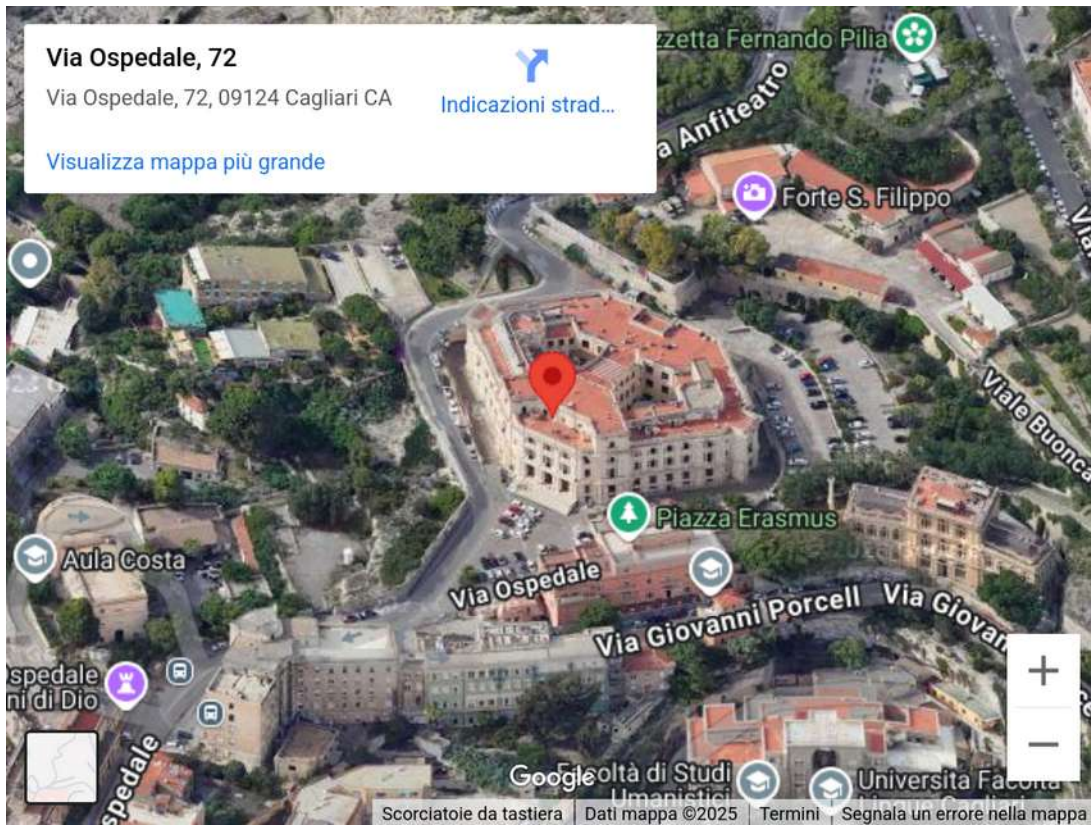

The “**Palazzo delle Scienze**” is an historic building hosting the Department of Mathematics and Informatics. It is located in Cagliari, Via Ospedale 72.

The workshop's rooms are located at the top floor, a “few” step of stairs from the building entrance.

Here is on google maps:
