THIS IS MY VERY OWN GAME, CREATED FOR MY PERSONAL LEARNING CHALLENGE

This is the app on which I based my game: I created this game in order to help me ...

Here is the link to my game: I found this the experience of creating this game [really useful / quite useful / not very useful / not useful at all] because

REFLECTION AND ANALYSIS (about 100 words)

This is what I learned about learning through playing :

This is what I learned about the way I myself learn, effectively.

This is my (honest) evaluation of my own learning challenge. (Have I made progress in my problem area in English?)
