

CALL FOR PAPERS

**The 11th AIGE/IIETA International Conference and
the 21th AIGE 2026 Conference
on "Energy Conversion, Management, Recovery, Saving,
Storage and Renewable Systems"
Cagliari (Italy) on June 10 – 12, 2026.
<https://convegni.unica.it/aige2026/>**

The **11th AIGE/IIETA International Conference** and the **21th AIGE 2026 Conference** on "Energy Conversion, Management, Recovery, Saving, Storage and Renewable Systems" is organized under the auspices of the AIGE and IIETA to provide technical information to their members and to the scientific and industrial community at large.

The event is sponsored by **IEEE Italy Section Power and Energy Society Chapter**

Special thematic sessions are planned to disseminate the results of various national (NEST, PRIN, E-INS) or international projects (HORIZON), funded by the PNRR (Innovation and Sustainability in Territorial Energy Management).

Four Best Paper Awards will be given to young researchers who have presented significant results at the AIGE-IIETA 2026 Conference:

- young graduates presenting their thesis results
- doctoral students and postdoctoral students under the age of 32
- young researcher under the age of 35.

IMPORTANT DATES (please visit <https://convegni.unica.it/aige2026/>)

- Abstracts submission deadline April 24, 2026
- Final papers submission deadline April 30, 2026
- Early registration deadline: May 10, 2026
