

DIFFERENTIAL GEOMETRY 2026

A Tribute to Francesco Mercuri

7–10 JULY 2026

Palazzo delle Scienze
Via Ospedale 72
Cagliari – ITALY

This conference celebrates the scientific legacy of Francesco Mercuri and his outstanding contributions to Differential Geometry and related fields. Researchers from around the world will gather in Cagliari to discuss recent developments and future directions in Differential Geometry.

INVITED SPEAKERS

Renato Bettiol	Luquésio Jorge
Leonardo Biliotti	Luciano Mari
Graziano Gentili	Barbara Nelli
Lino Grama	Maria Helena Noronha
Claudio Gorodski	Keti Tenenblat

CONTRIBUTIONS

Luis J. Alias
Antonio Bueno
Nicolás Caballero
