ACTIVITIES ABROAD

Self-declaration

I, the undersigned _____

Place of birth _____ Date of birth _____

Enrolled in the PhD programme in (insert complete denomination)

_____

Cycle _____

PhD student without scholarship

Scholarship funds (i.e. University, Department, PNRR, etc.) _____

DECLARE

To have submitted the request for auth the Academic Board to carry out study/research activities abroad at (insert the complete denomination of the hosting Institution)

_____

from _____ to _____

of which days of travel _____

UNDERTAKE

- To communicate any possible interruption or change in the period planned and approved by the Academic Board promptly, by sending an e-mail to dottoratiemaster@unica.it;
- At the end of the activities, to send to dottoratiemaster@unica.it the certificate provided by the hosting Institution, attesting the complete study/research period spent there. In case the certificate is electronic, forward the e-mail of the host Institution with the document attached. In case you receive a paper certificate, scan and send it, explaining that it is a copy.

Cagliari, _____ ……

(full and readable signature)

…….

(Aknowledged by the Supervisor - Signature)

N.B.
- This self-declaration must be sent to dottoratiemaster@unica.it at least 10 (ten) days before departure or before the start of the remote activities.
- The increase on the scholarship will be paid exclusively in case of actual activities abroad, in monthly deferred instalments for the complete period, following verification of the Academic Board's authorization. In case of discordance between the duration declared and the period indicated in the certification provided by the hosting institution, the University will get back the amounts wrongfully paid by deducting them from the first instalment to be paid when the PhD student comes back.
